## Summary

---

I am a passionate Information Technology graduate from Boston City Campus, holding a National Diploma in Systems Development. Through the Umuzi Experience Lab, I have gained practical experience in teamwork, problem-solving, agile methodologies and the use of digital tools. I am seeking my first tech opportunity where I can apply my skills, grow through mentorship and continue developing in the industry.

## Skills

---

- |              |                     |                       |
